CALL FOR WORKSHOPS

The organizing committee of the **IEEE-ISIE 2023** to be held in **Helsinki, Finland, from June 19-21, 2023**, invites proposals for workshops to address cutting edge research and developments in technological sciences in the technical scope of the conference and of interest for the Industrial Electronics Society (IES).

The proposals, to be sent to tutorial.chairs.isie2023@ieee-ies.org, should be structured as follows:

1. Title of the Workshop

2. Names and contact addresses of all organizers

3. Bio sketches of all organizers (around 500 words) accompanied by a list of their publications relevant to the workshop's subject matter(s)

4. Reasons, which in view of the organizers, make their proposal relevant and of interest to the IEEE-ISIE 2023 Conference attendees and the IES community

5. Summary of the subject matter(s) covered by the workshop - no less than 500 words

6. Outline of the Workshop: presentation titles and their order, names and affiliations of the speakers accompanied by their bio sketches (around 500 words) and a list of their publications (it does not apply to speakers from industry) relevant to the workshop's subject matter(s)

For more details about the conference, please visit our website at http://www.ieee-isie2023.org/.

The deadline for workshop proposals is **March 15, 2023**.
